Mrs. Mewburn-Watson ... ..	December

---

These ladies visit the Hospital once a week during the month, and, on the day they have selected, read, instruct, and amuse, according as they find occasion during the hours, or any part of the hours, of the afternoon, between dinner and tea time.

Relations and friends of patients are admitted always on Sundays and Thursday afternoons, that being the time specially reserved for them ; and at other times when permitted by the Medical Officer or the Matron.

# The 68th Annual Report

OF THE

## COTTAGE HOSPITAL, IVER.

---

It is with much regret that the Committee have to record the loss the Hospital has sustained by the death last June of the Rev. G. H. Culshaw, who had been a member of the Committee since 1923 and was Chairman from September, 1924, to June, 1926. He took a great interest in all the affairs of the Hospital and did much for it in many ways. His counsel and help are much missed.

A new brick mortuary, which meets a long-felt want, has been given in memory of Commander Stopford Douglas, as a mark of affection and respect from his friends in the neighbourhood; and the beautiful interior decoration was given as a memorial by Mrs. Stopford Douglas.

There were 119 in-patients during the year, compared with 131 in 1929. This does not represent a decrease in the usefulness of the Hospital, as the number of days the beds were occupied shows an increase of 117 on 1929. There were 212 out-patients, totalling 1,309 visits, as against 241, totalling 1,247 visits, in the previous year.

The special department for the eye was much appreciated. The Committee again record their gratitude to the Hon. Consulting Ophthalmic Surgeon and also to the Hon. Consulting Surgeon for the ear, throat, and nose department.

The ordinary expenditure for the year was £1,308 16s. 2d., compared with £1,166 1s. 9d. in 1929; the total expenditure being £1,325 7s. 2d.

The total income for 1930 was £1,171 15s. 4d., showing a deficit for the year of £153 11s. 10d. This is by far the biggest adverse balance the Hospital has ever had. The income shows a decrease from £1,195 10s. 9d. in 1929, but in that year £70 7s. was derived from a thank-offering fund for the restoration to health of His Majesty the King. In 1930, subscriptions, donations, and patients' payments fell below the level of the previous year, though all other items of income rose. The Committee would like to see an increase in patients' payments, which in many cases are not at all satisfactory.

To the Committee's great regret, Miss Barnett resigned in order to go as Matron to a much bigger Hospital. She left in May, after more than a year's splendid work for the Hospital. The Committee wish to express their deep appreciation of her services. Miss Rollo, whose work was rendered difficult by staff changes, was Matron for only a short time. She resigned and left in September, and Miss Sheard came to take her place.

Pound Day realised even more than in 1929. The Committee are grateful to all who contributed so generously with their help and gifts. Special mention must be made of the children of the County Council Schools, for the following gifts:—Iver: Girls, £1 4s. 3d. and goods 109 lbs.; Boys, 3s. 10d. and goods to the value of £1 14s. 6 $\frac{3}{4}$ d.; Infants, £1 5s. 1d. and goods. Iver Heath: 14s. 2d. and goods. Langley Central Schools: goods, 243 $\frac{1}{2}$  lbs. Colnbrook Girls' School sent a large quantity of goods earlier in the year.

The collecting boxes again show an increase, from £89 13s. 7d. to £93 5s. The Challenge Cup was won by the Montague Arms, Langley, with £10 6s. 6d.; and the Comforts Fund Cup by the Fox and Pheasant with £9 12s. 10 $\frac{1}{2}$ d.; the Garibaldi was third with £8 16s. 6 $\frac{1}{2}$ d.

The Committee's thanks are once more offered to all box-holders; to Mrs. Janes, Mrs. C. H. Gane, Mr. Monfries, Mr. Proctor, Mr. Sterling, Miss Sterling, Miss Oliver, Mrs. Morrison Brown, Nurse Hickox, the Ascot Car Collection Committee, the Bucks Constabulary Sports Committee, Mr. Van Biene, Woodlands Park Golf Club Committee, Iver Horticultural Society,

Mr. Plume, Iver Heath Women's Institute, the Salt Hill Society, the London Co-operative Society Education Committee, Langley Allotments and Gardens Association, the management and employees of Messrs. Lowe & Shawyer's Nurseries, Messrs. E. B. Reed & Co.'s Brickfields, Messrs. Greenham's Brickfields, the Everlasting Tile Company, Messrs. W. Boyer & Son's Wharf, Messrs. E. Cotton, and Messrs. Janes Brothers, for contributions resulting from collections and entertainments ; to the Churches that have given collections ; to all subscribers and helpers ; and to all collectors of silver paper.

The Hospital is much indebted to the Comforts Fund Committee for all the help they have given during the year, particularly for the redecorations and repairs they did at a cost of £151 8s. 7d. ; also for many useful gifts of the total value of £43 4s. 11½d. The Committee specially wish to thank Mrs. Janes for all her work for the Hospital.

Finally, the Committee wish to express their sincere thanks to the Hon. Consulting Surgeon, the Hon. Medical Officers, the Hon. Masseuse, the Matron and her Staff, for their valuable services ; to Mr. N. S. Hodgson, the Hon. Treasurer ; and to Mr. Gerald Brown, the Hon. Auditor, for his kindness in again auditing the accounts. Their work is greatly appreciated.

# MEDICAL REPORT, 1930.

---

The number of in-patients admitted to the Hospital from January 1st to December 31st, 1930, was 119. To this number—

Iver	contributed	33
Richings	„	17
Iver Heath	„	11
Langley	„	42
Other districts	„	16

There were eighty-six surgical cases, thirty-one medical cases, and two maternity cases.

Of those discharged from Hospital eighty-five were cured, twenty-four were relieved, and six were transferred to other institutions ; four died.

Available beds numbered twelve (eight beds and two cots, two emergency beds).

Number of in-patients during the year	...	...	119
Average percentage of beds occupied	...	...	54·77
